A bar chart comparing the number of power-oriented and universalist values across various age groups. The x-axis lists age groups from 0-5 to 95-100. The y-axis shows the count of values from 0 to 50. Red bars represent power-oriented values, and green bars represent universalist values. Universalist values are significantly higher than power-oriented values in the 15-20, 20-25, and 25-30 age groups, with a peak of 50 universalist values in the 25-30 group.
